

EURO BANGLA GROUP

Fabric and Sourcing Division Profile

ABOUT EURO BANGLA ASSOCIATES LIMITED

Euro Bangla Associates Limited started its journey through Textile and RMG Sectors. Established in 1985 Euro Bangla started its business in Bangladesh primarily with a view to contribute to its Textile, RMG, non-traditional Handicraft and Agro based sectors.

Over the years the company has experienced eventful success and growth with comprise of dedicated and professional team of product developers, focusing on every segment to manage the entire supply chain - from product designing, development, and sourcing of raw materials inclusive of trims, accessories from Bangladesh, China, Hong Kong, Taiwan, South Korea, Pakistan etc.

Our objective is to source 100% compliance factory with quality of Product Manufacturer for various American, Canadian, European, South America, Japanese, New Zealand & Australian Buyers, It is our responsibility to ensure development, monitoring of production, quality control and ensuring delivery on scheduled time.

We are proud to have a well-trained assurance team who ensures that quality during inline quality control bulk production and timely delivery is strictly ensured.

With strong sourcing and controlling capability available within the Group, it can provide to its customers "One Stop Service" from development, quality production up to finished garments' shipments. These have largely increased the confidence and trust of the buyers which leads to increase of business volume and prospects for further business growth.
